

OFFICE OF THE PRINCIPAL B S COLLEGE, DASPALLA

DATED:29-10-2021

NOTICE NO.:267/2021,

It was very often observed by the undersigned that, some of the teaching and non-teaching staff members have been deliberately leaving the College campus after punching their finger prints and have been coming at the fag-end of the departure time for departure punching. This habitual practice in them affects the academic progress and other curricular and extra-curricular activities of the College. Hence, the "Habitual Opportunistic Escapists" are warned to abstain from this type of malevolent practices for smooth running of the machinery of this "Teaching and Learning Citadel".

Once again, all staff members both teaching and non-teaching are requested to act and co-operate whole-heartedly for the betterment of our "Glorious Institution."

Looking forward for positive response.
